A FULLY BESPOKE SERVICE

WHAT DOES THIS MEAN?

A personalised service that is tailored to meet the specific needs, preferences, and expectations of each individual bride and groom.

— THE — PROCESS

STAGE 1

THE MEETING

At The Luxe Occasion, we are pleased to offer complimentary initial consultations and venue visits. This personalised service enables us to gain a thorough understanding of your space, style, and, most importantly, your budget, allowing us to provide a detailed and accurate quote tailored specifically to your needs.

STAGE 2

THE QUOTE

Once we have collected all the essential information, we will present you with a mood board along with a comprehensive and detailed quote. After you have made your choices, we will put together a bespoke package that includes a special discount tailored specifically for you.

STAGE 3

THE FINAL

Once you're completely satisfied with the details, we kindly request a 25% deposit to secure your date. This ensures that everything is in place for your special day. The remaining balance will be due two weeks before your wedding, allowing you plenty of time to finalise any last-minute arrangements and preparations.
