THE PROCESS

STAGE 1

THE MEETING

At The Luxe Occasion, we are pleased to offer an initial complimentary consultation and venue visit, where necessary. This personalised service enables us to gain a thorough understanding of your space, style and budget.

STAGE 2

THE QUOTE

Once we have collected all the essential information, we will present you with a beautiful mood-board alongside a detailed and accurate quote. After you have made your choices, we will put together a bespoke package just for you.

STAGE 3

THE MAGIC

Once you're completely satisfied with the details, we kindly request a 50% deposit to secure your date.

This ensures that everything is in place to work our Christmas magic. The remaining balance will be due two weeks before your installation date, allowing you plenty of time to finalise any last-minute arrangements and preparations.
